

Research Update:

Ratings Affirmed On Taiwan Cooperative Financial Holding Co. Ltd. And Taiwan Cooperative Bank Ltd.; Outlooks Stable

January 13, 2021

Rating Action

Taiwan Ratings Corp. today affirmed its long-term and short-term issuer credit ratings on **Taiwan Cooperative Financial Holding Co. Ltd.** and **Taiwan Cooperative Bank Ltd.**, as well as our issue credit ratings on the bank's various unsecured subordinated debts (see Ratings List). The outlooks on the long-term ratings remain stable.

The ratings reflect our assessment of the group's good market position and established franchise in Taiwan's banking sector, as well as the group's strong capitalization and satisfactory funding and liquidity profile. Counterbalancing factors include the group's mediocre profitability relative to similar-rated global peers. In addition, the ratings on the bank reflect our view of implicit support from the Taiwan government, given the bank's high systemic importance in Taiwan's banking system. Moreover, the ratings on the holding company reflect its relative subordination to its major operating subsidiaries.
