

Research Update:

CTCI Corp. Ratings Affirmed At 'twA/twA-1'; Outlook Stable

March 24, 2023

Rating Action Overview

Taiwan Ratings Corp. today affirmed its 'twA' long-term and 'twA-1' short-term issuer credit ratings on **CTCI Corp.** The outlook on the long-term rating is stable. The ratings on CTCI reflect the company's sustained domestic market leadership, expanding overseas operating scale, and improving business diversity that will underpin its competitive position over the next one to two years. The rating also reflects our base case that CTCI could maintain its debt to EBITDA ratio below 3x over the next two years despite rising debt to support significantly increased capital expenditure and likely working capital needs. The company's smaller operating scale compared with that of its large-scale global engineering, procurement and construction (EPC) peers and weaker profit margin in its overseas EPC business partly temper these strengths.
